TO WHOM IT MAY CONCERN

This is to certify that this Company had appointed Institute of Applied Quality Management, Kolkata for rendering services in obtaining NABL Accreditation for the environmental Laboratory of this Company.

The Laboratory of Pollution And Project Consultants is already recognized by West Bengal Pollution Control Board for conducting analysis of Water & Wastewater and Stack & Ambient Air for various parameters. The Laboratory also possess Certificate of Competency by Factory Directorate for carrying out monitoring of Work Zone environment as required by the Factories Act.

Mr. S. Chakraborty, Director of the Institute of Applied Quality Management, Kolkata rendered consultancy services to us in a professional manner for preparing the laboratory for Pre-Audit Assessment by NABL and extended guidance from time to time as required by us. We appreciate his methodology of preparation of records and interpretation of the guidelines given by NABL and implementing the same.

We feel that intending Institutes would be benefited by the services of Institute of Applied Quality Management, Kolkata for obtaining NABL Accreditation.
